Subject: Submission Curriculum of Feedback Analysis collected from various stakeholders on Curriculum

Respected Sir

Our institute was founded in the year 2004 in the midst of Nallasopara village to ensure equal opportunities are available especially for Girls Student in the Village at affordable prices. The institute since then has strived towards achieving vision and mission. And today, it strives to move closer towards quality benchmarking by applying NAAC accreditation Cycle. Feedback has always been an integral mechanism here

The IQAC thereby has collected and analyzed and displayed the feedback so collected on curriculum in the prescribed format.

We hereby attach the Feedback Analysis Report 2022-23 for your reference, as we being affiliated institute have limited scope in bringing about change in curriculum. However, we are capable of acting as agents of change and communication between the two ends.

We therefore attach the Feedback Report for your quick reference and action.

Regards
