About the Trust

Hands that help are holier than hands that pray

SHURPARAKA EDUCATIONAL & MEDICAL TRUST

(Regn. No. E-9818 Bombay)

SHURPARAKA – an ancient name of Sopara meaning the “Best Port”, lying on the western railway. The seaboard of western coast is gifted with ports and Shurparaka was one of them.

Its past is buried with pride in the debris of time, present is in fore and future is in store. Sopara with such a bright historical background is now lacking in many fields.

Various Educational Institutes in Vasai are functioning since the advent of 20th century. Sopara once a town of eminence was lacking in this field.

Keeping all these factors in mind a band of dedicated and like thinking friends from Sopara vehemently moved in this direction and created a Trust in February 1984, with a concept “SERVICE FOR ALL WITH SELFLESSNESS AND DEDICATION”. The trust was named as Shurparaka Educational & Medical Trust, with Mr. Ridwan B Harris as its President and Mr. Anwar Munshi as its Managing Trustee and General Secretary.

The Trust resolved to start an English Medium School at Sopara. The Jama Masjid Trust was kind enough to lease out this tract of land admeasuring 3600 square meters with due permission of the Charity Commissioner, Bombay.

In 1994, the Trust started Junior College of Arts and Commerce. To acknowledge the contribution of Mr. Ridwan Harris, in the field of education, the Trustees resolved to name the Jr. College after his name, and thus Ridwan B. Harris Junior College of Arts, Commerce & Science was born.

In 2004, the Trust started Moinuddin B. Harris College of Arts.

In 2006, under the leadership of new President, Dr. Zahir I. Kazi, the Trust reached new heights. A foundation was laid for A.E. Kalsekar College of Commerce & Management.

The Trust remains indebted to its founding members, who are no more in this world but have left their imprint on the Trust.

About the Institution

Shurparaka Educational & Medical Trust is well known for its academic excellence in Palghar district.

Now, under the present Board of Trustees and dynamic leadership of its President, Dr. Zahir I. Kazi, the Trust has brought into reality the dreams of its founding members by constructing a new, well equipped Educational Complex at Sopara. It's a matter of pride that it started a Degree College, a First in the town of Nallasopara, catering to the educational needs of students from all communities.

In order to provide continuity in the pursuit of higher education and the immense confidence reposed by the students and their parents in the Junior college, the degree section was established in 2004. The latest total strength of students is 1016 at degree level including professional courses. Students have already made a mark in the field of academics, engraving good results in all the university examinations.

Vision

"To nurture innovation and creativity through quality education and provide higher education to weaker and deprived students of neighboring rural area irrespective of caste, creed and religion.

Mission

To develop an Organization which serves a diverse community of students with accessible & affordable education that enhances the quality of life.

Commitment

To develop individuals with great personality who will shoulder responsibility of the family, the society and the Nation. To impart quality education to the students in their chosen areas of study.

Objectives

To enforce discipline in the students in all areas of college life.

To provide quality education to students from diverse community.

To ensure that the students are made competitive enough for job oriented courses.

To provide professional requirements and the needs of responsible citizenship.

To make students aware about their potentials through academic and extra-curricular activities.

To provide an atmosphere of learning and encouragement to all students and staff.

Quality Policy

The management of M.B. Harris College of Arts and A. E. Kalsekar college of Commerce & Management is committed to impart a complete all-round education of high academic excellence by providing opportunities for development of personality and character of students by disciplined habits, sustained work, devotion to duty and co-operative spirit through co-curricular activities. The management is committed to continually improve the service quality through training and retraining of educationalist to enhance the competencies. Improvement in learning resources such as computer labs, library etc.
