of societal progress, both parties have come together to establish a MOU. This Memorandum of Understanding (MoU) signifies the formal agreement between Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management, an esteemed institution that upholds the values of intellectual growth and scholarly achievement, and Rotary Club Virar, a distinguished philanthropic organisation that has garnered a reputation for its unwavering commitment to the betterment of the community. Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management, known for its unwavering dedication to fostering academic excellence, has consistently provided a nurturing environment for students to thrive intellectually and personally. With a rich history of producing accomplished graduates, the college stands as a beacon of knowledge and enlightenment in the educational landscape.

On the other hand, Rotary Club Virar, a venerable organisation with a long-standing legacy, has consistently demonstrated its unwavering dedication to serving the community. Through various philanthropic initiatives, the club has made significant contributions to the betterment of society, leaving an indelible mark on the lives of countless individuals. By entering into this MoU, both Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management and Rotary Club Virar aim to forge a mutually beneficial partnership that will leverage their respective strengths and resources. This collaboration seeks to create a harmonious synergy between academia and philanthropy, with the ultimate goal of fostering holistic development and social progress. Under the terms of this MoU, Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management and Rotary Club Virar will collaborate on a range of initiatives aimed at promoting educational opportunities, community development, and social work.

Objective:

The primary objective of this Memorandum of Understanding (MoU) is to forge a synergistic and cooperative alliance that will pave the way for a multitude of multifaceted endeavours. The focal point of this harmonious partnership lies in the realm of fostering and expediting initiatives pertaining to the noble cause of blood and organ donation. By entering into this MoU, the involved parties seek to embark upon a journey of collective action, wherein a diverse array of activities will be meticulous. These objectives Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management, in conjunction with the esteemed Rotary Club Virar, has astutely acknowledged the profound significance of fostering enlightenment regarding the imperative nature of blood and organ donation within our societal framework.

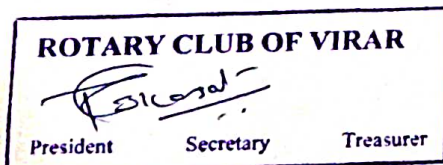

Terms of Collaboration:

Duration: This MOU shall be effective for a period of five (5) year, commencing on June 1, 2019, and ending on May 31, 2024.

Resource Allocation: The College will provide suitable facilities, classrooms, and infrastructure as required for the successful delivery of knowledge programs and blood donation activities.

Confidentiality: Both parties agree to maintain the confidentiality of any sensitive information shared during the course of this collaboration.

Intellectual Property: Any intellectual property resulting from joint projects will be addressed in separate agreements, as necessary.

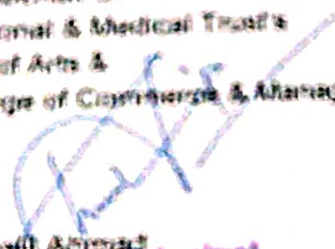

Termination:

This MOU may be terminated by either party with a written notice of [Notice Period, e.g., 30 days] to the other party. Termination shall not affect ongoing activities but will prevent the initiation of new activities.

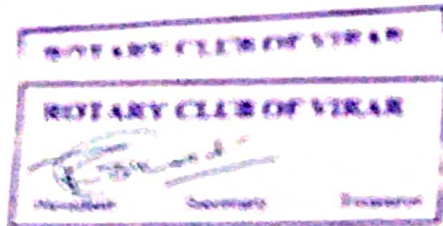

This MOU represents the understanding between Shurparaka Educational & Medical Trust's M.B.Harris College of Arts & A. E. Kalsekar College of Commerce & Management and Rotary Club, with regard to above activities. This MOU may be amended or modified only in writing and signed by authorised representatives of both parties.

Report

Organ Donation Awareness Program Report Rotary Club Virar and A.E. Kalsekar College of Commerce and Management, Nalasopara (W) Duration: June 2019 - May 2024

Introduction: This report outlines the five-year awareness program on organ donation conducted in collaboration between Rotary Club Virar and A.E. Kalsekar College of Commerce and Management. The program aimed to increase awareness about organ donation, its significance, and the impact on society. It spanned from June 2019 to May 2024.

Program Objectives:

The program aimed to:

Raise public awareness about the importance of organ donation for saving lives.

Dispense accurate information to dispel myths and misconceptions.

Collaborate with educational institutions for effective outreach and education.

Encourage community participation and inspire a positive societal change.

Program Implementation:

Collaboration: Rotary Club Virar and A.E. Kalsekar College jointly organized and executed the awareness program.

Awareness Sessions:

Seminars, workshops, and interactive sessions were conducted regularly.

Experts and medical professionals shared information about organ transplantation, procedures, and its impact.

Public Engagement:

Awareness drives were held at community events, campuses, and public places.

Awareness materials like pamphlets, posters, and digital media were employed.

Collaborative Initiatives:

Student volunteers participated in organizing and promoting awareness campaigns.

Community events and health fairs were used as platforms for wider reach.

Achievements: Over the course of five years, the awareness program achieved several milestones:

Increased Awareness: A greater number of people were educated about organ donation.

Myth Dispelling: Misconceptions were debunked through accurate information sharing.

Community Participation: Increased involvement and support from the community.

Inspired Donors: Motivated individuals to consider becoming organ donors.

Future Goals: While the program concluded in May 2024, its success laid the foundation for continued community engagement and education on organ donation.

Conclusion:

The Organ Donation Awareness Program conducted collaboratively by Rotary Club Virar and A.E. Kalsekar College of Commerce and Management from June 2019 to May 2024 successfully achieved its objective of spreading awareness about the significance of organ donation. The program's impact is anticipated to endure, encouraging individuals to make informed decisions and potentially saving lives through organ donation.
