Report Cleaning of Beaches during Ganpati.

Our college had organized a movement to clean the beaches after the Ganesh Festival. The movement took place on 14-sep-2018. The students and teachers of A. E. Kalsekar College went to the beach on 14th Sept with the motive of cleaning the Arnala beach. It was a huge movement with our volunteers, teachers and students. The main motive of conducting the campaign was to make our college students and other local people aware about the dangerous and poisonous effect of Ganesh idols being immersed in the oceans.

As devotees bid farewell to Lord Ganesh on the final day of Ganesh Chaturthi, beaches across vasai and virar were left in a mess. Debris of idols lay strewn across these beaches. At the crack of dawn, volunteers poured in to help the Municipal Corporation clean up the debris. Students, teaching and non-teaching staff gathered at the Arnala beach, shouldering the responsibility to weed out plastic and idols that washed on the shore. We picked up plastic and ensured that it doesn't harm our environment and beaches. We started the drive early in the morning and removed almost 30Kgs of waste and trash material.

The NSS volunteers took good care of students with safety and precautions. The students and our NSS team conducted the campaign with huge banners and posters, etc. Overall it was a huge success. On the beach itself we had a lecture on cleanliness by Mr. Suresh Sir, one of our faculty members where he delivered a speech on the side effects of dumping the idols into sea water. To save the marine

life and the environment from getting polluted we can use alternate Ganesh idols in spite of POP. Also we can try to dump the waste and other puja materials in proper dustbins or a compost pit to avoid the mess and unhygienic.

It was a successful movement where the teachers and students actively participated to remove all the waste materials like bottles, flowers, plates, eatables and other plastic wastes. We hope the movement will benefit the society and for the upcoming years we will have a safe and eco-friendly Ganesh Chaturthi. there were around 33 number of student participated in this cause.

Student Testimonials

My two years at AIMSR have been incredible and a memory to cherish for life. The years spent here have been full of learning opportunities that were full of fun and frolic and sometimes academic grind that one had to go through. The international exposure made me a better man to face all the challenges of the corporate world. All thanks to the college management and the faculties for the opportunity and support.
- Kunal Prabhu, Property Mgmt (Dubai), Batch: 2019-2021.

I am extremely glad to be a part of AIMSR. I loved the infrastructure and am very thankful for the way it shaped my personality. It helped me build up my confidence level. I would like to thank Dr. Sunila Murawatsavji our director and my professors who guided me and the placement cell for providing good platforms for my career. I feel lucky to be placed with KOC Bank.
