7.1.3 – Point 4 Clarification

Clarification of Energy Audit and Green Audit

I now provide clarity on the measure in question, certifying that the Energy Audit of our college was conducted by ZIP ENGINEERS, an agency officially recognised by the government. Green Audit was conducted by Dr. Rajshekhar Patil's Nature club, a renowned authority in the field of green audit and a professor of Environmental Science in Mumbai. The auditing agency responsible for conducting the aforementioned audits did not impose any charges onto us.
