The fort was very beautiful and we could see the whole surrounding from the top. Mr.Majid Sir gave us a lot of information about fort. Karnala Fort is actually consisted of two forts one was at higher level and other at lower. It is also called Pandus tower. This structure was used as watch Tower when the fort was occupied. There is a Bhavani Temple dedicated to Bhavani Goddess and it is located at the bottom of the fort. In 1670 Shivaji Maharaj conquered it from Mughals. After the death of Shivaji the fort was taken over by Aurangzeb and it remained in the hands of Mughals till 1740. After visit of fort and trekking we assembled in the canteen for the lunch. Historical Visit: AY2021-22 (Kanheri caves)

On 30 March 2022, M. Bharris college of arts and A.E. Kalsekar college of commerce and management organized H.V to its BA students. Total thirty six students went for HV, thirty girls students and six boys students in which mostly interest was showed by TYBA students. Even ex-students of last year were allowed because they didn't get HV during their last academic year due to covid. Assist Prof. Ayesha Dange, Assist Prof. Rohit Raut and Assist Prof Ibrahim Chauhansir managed students during HV.

We gathered at college campus and started our journey from Chakreshwar lake in Nallasopara at 7:55 am. Within duration of two hours we reached to Sanjay Gandhi National park [SGNP] after paying entrance fee we entered in SGNP. At entrance there were guards who checked our bags and told us regarding cleanliness. Through SGNP public bus we reached to Kanheri caves. Kanheri comes from the Sanskrit word Krishnagiri or Kanhanagiri which means black mountain. The site is on a hillside through rock steps we explored caves. The cave complex comprises approximately one hundred and nine caves. Kanheri caves were built in the 1st century and had become an important Buddhist settlement on the Konkan coast by the 3rd century CE. The patronage of it can be associated with the Mauryan and Kushan dynasties. It's originally constructed as a place of rest for the travellers on the way of Sopara-Kalyan soon turned into the Buddhist viharas used by the Buddhist monks as their residential and meditation purposes. We saw a lot of beautiful Buddhist viharas, meant for living, studying, and meditating. There were larger caves functioned as chaityas or halls for congregational worship are lined with Buddhist sculptures, pillars and rock-cut stupas. Kanheri caves nestled in the green environment provided us a peep into the history and wonderful nature views. For three hours we explored Kanheri caves then went back to SGNP. Resting spots are there at SGNP where we were rested & lunched. After that some students did cycling while others enjoyed boating and swings. Then we started our return journey & reached to Nallasopara at around 6:00 pm. It was a fantastic experience of incredible history, culture, art and wonderful nature.
