A Report on The Industrial Visit to Silvassa for the academic year 2017-18

Date: 08.03.2018

Class: FY/SY/TYBMS, FY/SY/TYBFM

No. of students: 174

Industries: Alok Industries and Nipra Packaging Pvt. Ltd.

Impact Factor: To add to the practical knowledge of the students by showing them how work in an industry is carried out.

A.E.Kalsekar College of Commerce and Management had organised a One day industrial visit on 8th March 2018 located in Industrial Sector of Silvassa for the students of B.M.S and B.F.M.

The purpose of the visit was to give the students first hand practical knowledge, experience and technical knowledge of how industries function.

The students' first stop was **Alok Industry**, a manufacturer of clothing and home furnishings, where they observed how various operations are carried out using a variety of complex machinery. This industry produced clothing, 7 household furnishings, and other items. The

The information provided to pupils about the processes/techniques used in the manufacture of clothing was accurate. The students studied testing methods, the creation of a blanket based on research, embroidery work carried out by scanners and machines, manual method, etc.

The second stop was **Nipra Packaging**, which creates containers for bulk storage of paint and oil. The company developed pre-printed, ready-to-assemble sheets, which have since been its key competency. It produces barrels, mild steel barrels, plastic drums, and more. It produces plastic oil drums in sizes 10 litres, 20 litres, and 200 litres. This business also uses recycled plastic. Reliance supplies the raw materials like polythene.

Due to the fact that both industries were business to business, the students were better able to comprehend how these sectors operate.
