Report Cleaning of Beaches during Ganpati.

Our college had organized a movement to clean the beaches after the Ganesh Festival. The movement took place on 14-sep-2018. The students and teachers of A. E. Kalsekar College went to the beach on 14th Sept with the motive of cleaning the Arnala beach. It was a huge movement with our volunteers, teachers and students. The main motive of conducting the campaign was to make our college students and other local people aware about the dangerous and poisonous effect of Ganesh idols being immersed in the oceans.

As devotees bid farewell to Lord Ganesh on the final day of Ganesh Chaturthi, beaches across vasai and virar were left in a mess. Debris of idols lay strewn across these beaches. At the crack of dawn, volunteers poured in to help the Municipal Corporation clean up the debris. Students, teaching and non-teaching staff gathered at the Arnala beach, shouldering the responsibility to weed out plastic and idols that washed on the shore. We picked up plastic and ensured that it doesn't harm our environment and beaches. We started the drive early in the morning and removed almost 30Kgs of waste and thrash material.

The NSS volunteers took good care of students with safety and precautions. The students and our NSS team conducted the campaign with huge banners and posters, etc. Overall it was a huge success. On the beach itself we had a lecture on cleanliness by Mr. Suresh Sir, one of our faculty members where he delivered a speech on the side effects of dumping the idols into sea water. To save the marine

life and the environment from getting polluted we can use alternate Ganesh idols in spite of POP. Also we can try to dump the waste and other puja materials in proper dustbins or a compost pit to avoid the mess and unhygienic.

It was a successful movement where the teachers and students actively participated to remove all the waste materials like bottles, flowers, plates, eatables and other plastic wastes. We hope the movement will benefit the society and for the upcoming years we will have a safe and eco-friendly Ganesh Chaturthi. there were around 33 number of student participated in this cause.

World AIDS Day takes place on the 1st December each year. Our college had organized a program on Aids Awareness on ~~1st Dec~~ ^{01st Dec} 18. It's an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness. Founded in 1988, World AIDS Day was the first ever global health day.

World AIDS Day may be once a year, but you can still support people living with HIV all year round. So, with this motive Our College had organized a program on Aids Awareness on Saturday, 1st Dec 2018. The program started at 11 am in the AV Room and was headed by one of the faculty members Mrs. Rohita Raut. There were 50 numbers of students who participated in the program including our NSS volunteers and students.

It was a great program conducted by our colleague on Aids Awareness, its sign and symptoms, HIV Transmission, its prevention and cure. The main motive of

conducting the program was to provide an opportunity to educate students about the importance of HIV prevention, research, HIV testing, and the issues for particular population groups. The slogan, posters and banners revealed it all. Also the NSS volunteers took it as a pride to wear the Red Ribbon symbolizing Aids Awareness. Overall it was a huge success with a lot of knowledge exchange and clearing concepts.

In addition, he also shared how Swami ji made an impact at the Parliament of World Religions in Chicago and his famous speech. The students of the college learnt a lot about the values of life which will help them further. There were 54 students who participated along with our NSS volunteers, students and teachers. The NSS teachers took initiative to handle the overall event. The event ended with a vote of thanks given by Asst.Prof Miss. Tehseen Shaikh, one of our faculty members. To: The Principal,

Sub: Request to become College Partner for "Mission SAHASI"

Respected Sir,

ABVP has always encouraged girls to be independent and excel in everything they do. As a part of ABVP's efforts to empower them we are organizing a mega scale Girls Self Defence Programme, for girls of age group 13 to 25 and plan to target a minimum of 5000 girls of Vasai - Virar zone. This programme of ABVP named "Mission Sahasi" in association with a professional training academy who will bring confidence among the girls and the much needed change in the casual attitude prevailing in the society towards girls and their safety issues.

Mission Sahasi will have a major demonstration of nearly 3,500 trained girls on 21st December 2018 (Friday). This will be preceded by a Two hour training module for girls in each of the planned Colleges. Being one of the major & reputed institute who concentrate on the overall welfare of the students, we would be overwhelmed if your institute can become a College Partner in this event.

College Partner is expected to help the purpose of the Mission Sahasi by motivating your institute's girl students to participate in large numbers (a min of 500 girls) for the training. We would also request you to kindly nominate 10 volunteers and 05 faculty members with whom we can communicate & coordinate further for registration & mobilisation of girl students and also allow us to put a flex of Mission Sahasi in your institute premises.
