Internal Quality Assurance Cell 2nd Cycle Assessment Phase

CIE & RESULT ANALYSIS REPORT

The results of students' internal and university exams are always evidence of their academic performance. The Examination Committee is operating in accordance with the rules of the affiliated university. In collaboration with the departments, it conducts both internal and university examinations. The administration of the previous exams, such as departmental tests, assignments, student projects, classroom seminars, projects on pressing social issues, etc., is greatly aided by IQAC.

In collaboration with the Examination Committee, IQAC develops the annual CIE calendar and periodically evaluates its implementation. When necessary, adjustments have been made to the mechanism to ensure seamless operation.

The entire student body of the college benefited from the 335 CIE activities that were carried out during the evaluation period. The following table provides a quick summary of the analysis of this mechanism: (2021-22)
