ONLINE AND OFFLINE LECTURE MONITORING COMMITTEE

The importance of the lecture monitoring method was first established by the internal quality assurance cell (IQAC). This initiative's goal was to oversee and suggest changes to teaching-learning procedures for the benefit of the student body.

The monitoring sessions were conducted as follows: a committee with the then-vice-principals as members and the principal serving as its chair was formed. Throughout the assessment period, this has proven to be advantageous for both teachers and students. This committee continued to hold meetings throughout the COVID-19 epidemic. This is how the Lecture Monitoring Committee is structured:

Following is the constitution of the Online Lecture Monitoring Committee:

Sr. No.	Name of the Faculty	Designation
