**Report on online webinars**

Our college had conducted online webinars for faculties, students, as well as doctorates during the COVID-19 PANDEMIC. Since the environment of the country was very much sensitive and worried full we all took utmost care to rejoice the situation and take the advantage of lockdown by providing online webinars and seminars for all the teaching staff and students via zoom online platform. This has made many faculties to develop their inner growth for the betterment of tomorrow and to learn even by sitting at home with the latest technologies and social platforms. This pandemic has also thought all of us that nothing can stop your learning and limits. There were many teachers and students who took advantage of the webinars and this has built a self-learning, experience and knowledge for a good career ahead. Our college made the situation so comfortable and knowledgeable to all that every webinar was a fruitful one.

Our college management pushed and encouraged all of us to boost this situation into a productive cause. Our principal Dr. Khalil Ahmed motivated and proposed the idea of conducting online webinars to divert the minds of all into learning something new. All of our teachers, teaching and non-teaching staff participated in all our online webinars to make it a successful one. Hence it was a great time with great effort from all of our Kalsekar team to make it "learnerable, growthful, successful and knowledgeable."

**The following webinars were conducted during the academic year 2020-21**
