Green Audit 2021-2022

Introduction:

Green Audit is defined as an official examination of the effects on the environment. It is also widely known as Environmental Audit. Green Audit is better understood as compliance of Environmental Laws, audit of Environmental Cost and Environment Impact Assessment and Carbon Credit.

A.E Kalsekar college of Commerce of Management expresses its commitment to sustainability in many ways. It has taken a number of positive steps to reduce its environmental impact. But in many areas remain in which substantial commitments can be made. This report serves to highlight the accomplishments of A.E Kalsekar college of Commerce of Management and to make recommendations for maintaining a sustainable environment in the college. The college conducted the Internal Green Audit in Academic Year 2021-2022 and strives to maintain eco-friendly atmosphere in the campus:

The following activities were conducted during the academic year 2021-2022

- **World Population Day** was celebrated for creating awareness on the Population issues and to explain and apply demographic concepts to the past, present and future population characteristics
- **Kitchen gardening** activity was conducted to create awareness among student relating to importance of trees plantation
- Intercollegiate **quiz competition** on environment was organized to create awareness among students
- **Webinar was organized on 7R's** i.e Rethink, Reduce, Reuse, Refuse, Recycle, Regulate and Research by Mr Rajashekhar Patil

Following are the recommendations

- MoU with N.G.O
- Energy Audit through the students
- Various cells should be created for college activities
- Wall painting with environmental themes.

Green Audit 2020-21

Date.: _____

Introduction:

Green Audit is all about Corporate responsibility. It covers the truth about statements made by the government and companies with regards to the effects of environment pollution. The aim of Green Audit is to review the measures taken by the company to combat pollution.

Environmental awareness committee of **A.E Kalsekar college of commerce and management** understand the fragility of our environment and the importance of its protection. Promoting environmental awareness is an easy way to become an environmental steward and participate in creating a brighter future for our students.

The students of A.E Kalsekar stood and played their role very well. These enthusiastic volunteers have fulfilled the cardinal principle of the programme to enhance their sense of social responsibility towards the environment. Both the students and the Professors-In-Charge through their combined participation in creating the environment awareness got a sense of involvement in the tasks of community development.

The following activities were conducted during the academic year 2020-21:

- Webinar on **Eco- friendly ganpati** by our resource person Mr Ibrahim Chauhan
- An activity was conducted on **Plastic free day**, where all teaching and non teaching staff and students were not allowed to use plastic material to create awareness among teacher and students
- **World Earth Day** was celebrated was celebrated to create an awareness among students

- Webinar on **Air pollution** during festival of light to create awareness among student community in their respective residential areas
- Quiz on **WORLD WILDLIFE DAY** was organized for creating awareness among students for wild animals

The following activities were conducted during the academic year 2021-2022

- Kitchen Gardening should be encouraged among the students.
- Environmental awareness Webinar should be conducted
- National International days should be observed/ celebrated
- For students community various Quiz ,Activities and competition should be conducted
