Webinar on Gandhi's Principle of Peace

'SALT SATYAGRAHA'

- The Salt Satyagraha was a national movement throughout India that began early in 1930 and lasted for over a year. Its immediate goal was the removal of the salt tax which exploited the peasants and symbolized the unjust nature of British rule. The Salt Act made it a crime to possess salt not purchased by the British salt monopoly.
- Following the initial planning of the specific actions, Gandhi sent a letter to the Viceroy describing the grievances regarding the Salt Act and indicating the specific nature of the plan for civil disobedience. When this ultimatum was ignored, Gandhi and other satyagrahis began their historic march to the sea.

A Report on The Industrial Visit to Silvassa for the academic year 2017-18

Date: 08.03.2018

Class: FY/SY/TYBMS, FY/SY/TYBFM

No. of students: 174

Industries: Alok Industries and Nipra Packaging Pvt. Ltd.

Impact Factor: To add to the practical knowledge of the students by showing them how work in an industry is carried out.

A.E.Kalsekar College of Commerce and Management had organised a One day industrial visit on 8th March 2018 located in Industrial Sector of Silvassa for the students of B.M.S and B.F.M.

The purpose of the visit was to give the students first hand practical knowledge, experience and technical knowledge of how industries function.

The students' first stop was **Alok Industry**, a manufacturer of clothing and home furnishings, where they observed how various operations are carried out using a variety of complex machinery. This industry produced clothing, 7 household furnishings, and other items. The

The information provided to pupils about the processes/techniques used in the manufacture of clothing was accurate. The students studied testing methods, the creation of a blanket based on research, embroidery work carried out by scanners and machines, manual method, etc.

The second stop was **Nipra Packaging**, which creates containers for bulk storage of paint and oil. The company developed pre-printed, ready-to-assemble sheets, which have since been its key competency. It produces barrels, mild steel barrels, plastic drums, and more. It produces plastic oil drums in sizes 10 litres, 20 litres, and 200 litres. This business also uses recycled plastic. Reliance supplies the raw materials like polythene.

Due to the fact that both industries were business to business, the students were better able to comprehend how these sectors operate.

On 9th March 2019 Department of History organized one day study tour at Karnala fort, which is situated in Panvel. Thirty nine students participated from arts faculty and Asst. We gathered there at 6.00 A.M. and reached to Panvel at 9.30 a.m. At the entrance there were guards who checked our bags and told regarding cleanliness. There was one small canteen we had breakfast there. Mr. Majid Shaikh was our trekking expert and guided us for trekking. By taking halt at various points we reached at Karnala fort which was 1200 ft. high. at 2.30 p.m. We rested half an hour in fort and we headed towards down. The fort was very beautiful and we could see the whole surrounding from the top. Mr.Majid Sir gave us a lot of information about fort. Karnala Fort is actually consisted of two forts one was at higher level and other at lower. It is also called Pandus tower. This structure was used as watch Tower when the fort was occupied. There is a Bhavani Temple dedicated to Bhavani Goddess and it is located at the bottom of the fort. In 1670 Shivaji Maharaj conquered it from Mughals. After the death of Shivaji the fort was taken over by Aurangzeb and it remained in the hands of Mughals till 1740. After visit of fort and trekking we assembled in the canteen for the lunch. We also visited to Karnala Bird Sanctuary. We could see different types of birds and animal such as peacock, parrot and rabbit. From Panvel we started our journey and we reached to Nallasopara at 9.30 p.m. It was very beautiful and adventurous for all of us.

Historical Visit: AY2021-22 (Kanheri caves)

On 30 March 2022, M. Harris college of arts and A.E. Kalsekar college of commerce and management organized H.V to its BA students. Total thirty six students went for HV, thirty girls students and six boys students in which mostly interest was shown by TYBA students. Even ex-students of last year were allowed because they didn't get HV during their last academic year due to covid. Assist. Prof. Ayesha Dange, Assist. Prof. Rohit Raut and Assist. Prof. Ibrahim Chauhan managed students during HV.

We gathered at college campus and started our journey from Chakreshwar lake in Nallasopara at 7:55 am. Within duration of two hours we reached to Sanjay Gandhi National Park (SGNP) after paying entrance fee we entered in SGNP. At entrance there were guards who checked our bags and told us regarding cleanliness. Through SGNP public bus we reached to Kanheri caves. Kanheri comes from the Sanskrit word Krishnagiri or Kanhanagiri which means black mountain. The site is on a hillside through rock steps we explored caves. The cave complex comprises approximately one hundred and nine caves. Kanheri caves were built in the 1st century and had become an important Buddhist settlement on the Konkan coast by the 3rd century CE. The patronage of it can be associated with the Mauryan and Kushan dynasties. It was originally constructed as a place of rest for the travellers on the way of Sopara-Kalyan. It soon turned into the Buddhist viharas used by the Buddhist monks as their residential and meditation purposes. We saw a lot of beautiful Buddhist viharas, meant for living, studying, and meditating. There were larger caves functioned as chaityas or halls for congregational worship are lined with Buddhist sculptures, pillars and rock-cut stupas. Kanheri caves nestled in the green environment provided us a peep into the history and wonderful nature views. For three hours we explored Kanheri caves then went back to SGNP. Resting spots are there at SGNP where we were rested & lunched. After that some students did cycling while others enjoyed boating and swings. Then we started our return journey & reached to Nallasopara at around 6:00 pm. It was a fantastic experience of incredible history, culture, art and wonderful nature.

REPORT ON
MARATHI BHASHA DIWAS

28th February 2020

Marathi Bhasha Divas celebrated in the honour of Marathi language. It is celebrated on 27th February to rejoice the birth anniversary of Dyanpeeth award winner late poet V .V Shirwardkar who is also known as Kusumagraj.

Our college celebrated Marathi Bhasha Divas on 27th February, 2020 in the college premises. Students participated with great enthusiasm. A rally was held in the college showcasing the Marathi culture with a roper "dhol taasha".

This program enabled us to actively participate in the Marathi Bhasha Divas celebrations where we got an opportunity to display an appreciation of the multi-cultural world. It was a resounding success thanks to the efforts of our batch mates and faculty members.
