An alumni association is an association of graduates or, more broadly, of former students (alumni).

The purpose of an association is to foster a spirit of loyalty and to promote the general welfare of the organization. Alumni associations exist to support the parent organization's goals, and to strengthen the ties between alumni, the community, and the parent organization.

Today, alumni relations is an important part of an institution's advancement activities for many reasons such as :-

Alumni are an institution's most loyal supporters.

Alumni are fundraising prospects.

Alumni generate invaluable word-of-mouth marketing among their social and professional networks.

By engaging alumni, an institution can continue to benefit from their skills and experience.

Alumni Association comes under "Association of Persons" classification according to Income Tax laws of India. Generally, it gets registered as a society under the Society Registration Act of the respective state where the registered office of the alumni association will be situated. The society will have it's own PAN number, bank account and office bearers. Mandatory positions held are Secretary, Treasurer, Vice-President and President. The members of the association keeps on varying as there are many students who pass-out every year and they join the alumni association.

Our college have started registration process of Alumni Association but due to some uncertain circumstances its on hold .Very soon college will start further procedure.
