**Business Expo**

The business expo celebration was organized by the college on November 30, 2023 from 10:00 AM to 2:00 PM in the college Campus. The event aimed to provide a platform for students to showcase their entrepreneurial skills and promote their business ideas.

The event was inaugurated by the college principal, who emphasized the importance of entrepreneurship in today's world. The event featured stalls, exhibitions, and interactive sessions with industry experts. Students from various departments participated in the event and showcased their innovative business ideas.

The event also featured various competitions such as the best business idea, best marketing strategy, and best product design. The winners were awarded exciting prizes such as cash rewards, certificates.

The event was a grand success and received an overwhelming response from the students. It provided a great opportunity for students to showcase their entrepreneurial skills and interact with industry experts.

We hope to organize more such events in the future and provide a platform for students to realize their entrepreneurial dreams.

**REPORT**

**Ozone Day Celebration**

The Ozone Day celebration was held in the college auditorium on 16th September 2024. The event was organized by the college's Environmental Club. The theme of this year's celebration was "Ozone for Life". The event started at 2 pm and was attended by students, faculty members, and guests.

The program began with a welcome speech by the club's president, who highlighted the importance of the ozone layer and the need to protect it. This was followed by a presentation on the causes and effects of ozone depletion. The presentation was given by a guest speaker, who is an expert in the field of environmental science.

After the presentation, there was a quiz competition on the topic of ozone depletion. The competition was open to all students, and the winners were awarded prizes. This was followed by a poster-making competition, where students were asked to create posters on the theme of "Ozone for Life". The posters were judged by a panel of experts, and the winners were awarded prizes.

The event concluded with a vote of thanks by the club's vice-president. The event was a great success, and we hope that it has raised awareness about the importance of the ozone layer and the need to protect it.

#### **Interview Session Conducted by DLLE Department**

The interview session conducted by the Department of Lifelong Learning and Extension (DLLE) for college students was held in the college A.V.Room on 12th October 2023. The session was attended by students from various departments, faculty members, and experts in the field.

The program began with a welcome speech by the DLLE department head, who highlighted the importance of lifelong learning and the role of the DLLE department in providing opportunities for students to enhance their skills and knowledge. This was followed by a presentation on the various programs offered by the DLLE department.

After the presentation, there was a question and answer session, where students had the opportunity to interact with the faculty members and clarify their doubts. This was followed by a group discussion on the importance of lifelong learning and the role of the DLLE department in promoting it.

The event concluded with a vote of thanks by the DLLE department head. The event was a great success, and we hope that it has provided students with valuable insights into the various programs offered by the DLLE department.

**Presentation by students**

According to proposed plan DLLE Department of A.E kalsekar college of Commerce and Mangement organized a presentation was conducted by students on the topics of career-related topics, women's issues, and climate change which was held on October 7<sup>th</sup>, 2023.

The presentation was held in the AV Room and was attended by 25 students.

The presentation began with a discussion on the importance of women's issues and the need to address them. The students highlighted the various challenges faced by women in different spheres of life and presented ideas on how to overcome them. They also discussed the role of education in empowering women and creating a more equitable society.

The second part of the presentation focused on career-related topics. The students talked about the importance of choosing the right career path and shared their experiences of exploring different career options. They also discussed the challenges faced by young people in finding suitable employment and presented ideas on how to overcome them.

The final part of the presentation was on climate change. The students discussed the impact of climate change on the environment and human life. They also presented ideas on how to reduce carbon emissions and mitigate the effects of climate change.

Overall, the presentation was informative and engaging. The students demonstrated a good understanding of the topics and presented their ideas in a clear and concise manner. The students received positive feedback for their efforts.
