Research Policy of A.E. Kalsekar College of Commerce & Management

Preamble

In harmony with the visionary ethos and mission of our institution, it is essential to champion value-driven education infused with fresh and innovative concepts. This policy seeks to cultivate an aesthetically enriched and intellectually vibrant community through dedicated research endeavors.

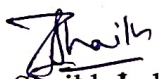

Purpose

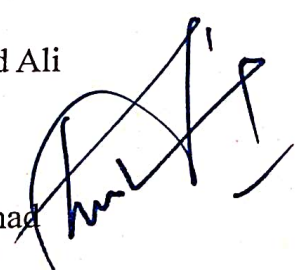

The research policy is designed to nurture a thriving research culture among faculty, staff, and students, enhancing professional expertise, igniting scientific curiosity, and fostering aptitudes for inquiry in all learners. It aims to forge strategic partnerships with research entities and industries to pinpoint promising avenues for exploration and analysis. Ultimately, this framework guides the effective management, encouragement, and advancement of research initiatives within the college.

Objectives

- To cultivate a supportive ecosystem within the institution that promotes research excellence, offering essential frameworks and guidelines for scholarly pursuits.
- To establish a robust and streamlined support mechanism that empowers faculty and researchers in their endeavors.
- To inspire awareness and opportunities in research and development among students and educators, embedding a research-oriented mindset across every department.
- To engage in scholarly projects and developmental initiatives sponsored by esteemed organizations such as ICSSR and the University of Mumbai.
- To provide guidance in securing funding for seminars, workshops, and faculty development programs from diverse granting agencies.
