ANNUAL SPORTS REPORT FOR ACADEMIC YEAR (2020-21)

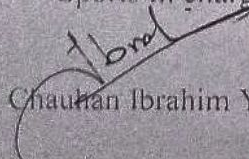

Sports activities form a major integral part of student's career. Our students are enthusiastic sportsmen with zeal and ambition for their best performance. Our students had participated in various games conducted by the college previously.

But, as we know that after the pandemic started from March-2020 onwards, there were certain restrictions (Lockdown, Social Distancing etc.) due to which the sports events were not possible to be conducted.

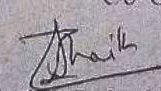

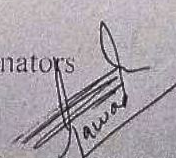

So, in the academic year 2020-21, there was no sports event held, we tried to search for some online events but it was not possible. There were also issues of facilities, as most of our students belong to backward areas (electricity issues) and are poor.

My sincere thanks to Management, Principal and all the Teaching & Non-teaching staff for their co-operations and encouragement.
