Subject: Request for Permission to Conduct a College Contact Program on Career Opportunities in the AVGC Industry

Respected Sir/Madam,
Greetings from MAAC!

My name is Ajay Yadav, and I am the Area Sales Head at MAAC (Maya Academy of Advanced Creativity). I am writing to seek your kind permission to conduct a College Contact Program at College to introduce students—especially those in their first and second years—to the exciting career opportunities available in the Animation, Visual Effects, Gaming, and Comics (AVGC) industry.

The AVGC sector is rapidly expanding, offering numerous high-paying career paths for skilled professionals. This initiative aligns with the Government of India's Skill India mission, which focuses on equipping students with industry-relevant skills and preparing them for promising careers in emerging fields. As a leader in this space, MAAC provides specialized training programs that bridge the gap between theoretical knowledge and industry demands.

Program Highlights:

- **Introduction to the AVGC Industry:** A comprehensive overview of the booming AVGC sector and the career prospects it offers.
- **Courses Offered at MAAC:** Insights into MAAC's practical skill-development courses tailored to meet industry needs.
- **Career Paths and Placement Opportunities:** MAAC alumni have been placed with top-tier companies like Amazon, Technicolor, Yash Raj Films, DNEG, Red Chillies Entertainment, and Green Gold Animation. Our students have also contributed to blockbusters such as *Pathan*, *Brahmastra*, *Kalki*, *Deadpool*, *Wolverine*, *Transformers*, and *Animal*, among many others.
- **MAAC Success Stories and Educational Events:** Showcasing what sets MAAC apart from other institutes, with real-life success stories and opportunities for hands-on learning.
- **Q&A Session:** An interactive session where students can have their questions addressed regarding career opportunities in the AVGC field.

We believe this program will be especially beneficial for first and second-year students, expanding their understanding of alternative career paths and equipping them with skills that are in high demand in today's job market.

We kindly request your permission to host this program at your esteemed institution, and we are confident that this initiative will positively impact your students' career development.

Thank you for considering our request. We look forward to your positive response.

Yours sincerely,

Ajay Yadav
